While other mass-produced ketchups are eaten worldwide, this unique, pure, fresh, handcrafted, raw ketchup offers superior flavor, living microflora (a microflora we naturally receive from mother's milk as infants that enhances our digestion and overall health), high-fiber, and rejuvenating health benefits** of naturally cultured tomatoes. This Live Ketchup is made fresh throughout the year, resulting in variations of color, taste, juiciness and natural expansion (especially when unrefrigerated). No water or vinegar is added. **TO PROLONG QUALITY:** Keep as cold as possible (without freezing). Swiftly replace the cap and refrigerate. **SERVING SUGGESTIONS:** Shake before use. Use as a condiment as you would any ketchup. **ALSO AVAILABLE,** organic & in assorted sizes: 17+ flavors of Raw Cultured Vegetables, salt-free or health-salted; Raw Cultured Ketchup & Pickles; 21+ fresh, pure & Raw Nut & Seed Butters, including 5 dessert nut butters, sweetened with either honey, dates or mulberries; super-fresh raw completely low-temp processed oils to consume & apply externally; 2 unique GinkgoGreen Teas; vanilla-infused Ultimate Brazilla; healthfully sweetened Chocolate Spreads & pure organic Unsweetened Chocolates.
