While other mass-produced ketchups are eaten worldwide, this unique, pure, fresh, handcrafted, raw ketchup offers superior flavor, living microflora, high-fiber, and rejuvenating health benefits\* of naturally cultured tomatoes. This Live Ketchup is made fresh throughout the year, resulting in variations of color, taste, juiciness and natural expansion (especially when unrefrigerated). No water or vinegar is added. **TO PROLONG QUALITY:** Keep as cold as possible (without freezing). Swiftly replace the cap and refrigerate. **SERVING SUGGESTIONS:** Stir before use. Use as a condiment as you would any ketchup. You may purchase this live ketchup in 11.5 ounce slender ketchup bottles. Available with or without honey.
