FRESH STONE-GROUND CHOCOLATES & NATURAL VANILLA!

Honey Sweetened & Raw Honey Sweetened

Ultimate Roasted Almond Honey Sweetened; Regular & Bittersweet

Because truly healthy chocolate foods are a treasure to find, Rejuvenative Foods is pleased to launch a new line of delicious, organic, gluten-free and dairy-free chocolate spreads as well as pure stone ground chocolates and vanilla for making your own delectable creations.

To make our raw or roasted chocolate, which is the basis for all of our chocolate spreads, we start with the finest Peruvian cacao beans and nibs and stone-grind them in small batches for more than 24 hours to create smooth, fine-particle, fresh chocolate.

For our Chocolate Dream spreads, we then mix this freshly ground chocolate with our own Rejuvenative Foods Brazil Nut Butter and sweeten it with the most healthful sweeteners available. Enjoy out of the jar, use them to make chocolate milk, chocolate cake, or smoothies for an especially decadent flavor.

Our two Unsweetened Chocolates are your healthy choice for baking, creating exotic raw molé sauces and making any recipe that requires pure chocolate flavor.

If vanilla is what you're seeking, you'll love our Raw Ultimate Brazilla, with 20% raw vanilla beans infused into our Brazil Nut Butter.

We always strive to maintain life energy and preserve vital nutrients in our chocolate spreads, by using the highest quality ingredients, while ensuring they taste fantastic!
