ORGANIC INGREDIENT: Chocolate (stone-ground in our kitchen from raw cacao nibs).

We freshly stone grind this unsweetened chocolate, with a sincere intent to maintain life energy and protect vital nutrients for healthful, delicious chocolate fulfillment. To soften, with lid on: set where warm or in sun or steamer above water so jar is away from burner, under 150° F for 20 minutes for easy removal from jar; 45 minutes to melt completely*. This unsweetened chocolate may be used in your favorite baking, molé sauce and other chocolate recipes (1 tbsp = 1 oz baking square). For the ultimate chocolate milk, put in blender with water and sweetener and any Rejuvenative Foods Fresh Raw Nut Butter. Optionally add fruit (banana, papaya, blueberries, etc.) and maybe a little cayenne, mint or health salt for extra pizzazz*.
