Rejuvenative Foods

100% Organic

LOW-TEMP GROUND!

Fresh Raw Tahini

ARTISAN

A VEGAN, TRANS-FAT-FREE AND GLUTEN-FREE FOOD

Perishable - Keep Refrigerated Net Wt. 64 oz. (1816g)

INGREDIENT: Raw mechanically hulled, organic sesame seeds
 To make this superior, creamy, delicious, healthful and full of life energy, we low-temperature grind, then cool small batches of fresh sesame seeds 4 or more times and then refrigerate. Sesame seeds are a source of calcium, protein, B vitamins and essential fatty acids* and have been enjoyed by world cultures for thousands of years. This Raw Tahini is more readily digestible than whole dry sesame seeds because it is ground up (smaller particles are more assimilable).
SERVING SUGGESTIONS: Delicious by itself, on rice cakes or bread. Sweeten with dried or fresh fruit, honey, agave or sweetener of choice. Make dressing* in blender by mixing with any of the following: avocados, water, garlic, tomatoes, cultured vegetables. Delicious with Raw Cultured Vegetables and as an enhancement to sauces, rice, grains and beans. Use in tortillas, sushi, raw food rolls & burritos.
ALSO AVAILABLE, organic and in assorted sizes: 11 flavors of Raw Cultured Vegetables, salt-free or salted; 17 fresh, pure and raw nut and seed butters, including 4 honey and a date-sweetened dessert nut butter(s); super-fresh raw completely low-temp processed health oils to consume and apply externally; and honey-sweetened chocolate spreads that are guaranteed to be a Fresh-Pure favorite.

100% PURE because we clean our machines between batches
