Rejuvenative Foods now offers two brand new antioxidant rich, green and white caffeinated tea blends that set new standards for health oriented tea drinkers and inspire coffee drinkers to migrate to **Ginkgo Green Caffeine**. This tea's unique blend of herbs allows you to feel relaxed during your caffeine enjoyment, giving you caffeine energy with mental enhancement.

*Each reusable and recyclable wide mouth glass jar of dry tea makes from 1 to 1.5 gallons or more of brewed tea.*

**Scientific studies of the herbs in Ginkgo Green Caffeine show the following likely benefits:**

- Ginkgo:** Memory improvement.
- Calendula:** Helpful with uncomfortable internal conditions such as peptic ulcers, ulcerative colitis and stomach problems.
- Lavender:** Eases anxiety and stress ★ Helps with insomnia ★ Guards against infection ★ Lessens postoperative pain ★ Relieves headaches ★ Helpful with skin problems and hair loss.
- Green tea:** Loaded with antioxidants (which, according to webmd.com, may interfere with the growth of many types of cancer cells) ★ May prevent clogging of the arteries ★ Helps to burn fat ★ Counteracts oxidative stress on the brain ★ May reduce risk of neurological disorders like Alzheimer's and Parkinson's diseases ★ May reduce risk of stroke ★ Improves cholesterol levels.

**Chamomile:** Relaxing ★ Anti-inflammatory ★ Anti-spasmodic ★ Antibacterial.

**Our Ginkgo Green Caffeine with Osha Root and Vanilla also provides the benefits of three additional herbs:**

**White tea:** Known to improve cardiovascular function ★ Antibacterial properties ★ Antiviral properties.

**Vanilla:** Antioxidants with anti-carcinogenic properties.

**Osha root:** Good for bronchitis, colds, irritating coughs, influenza and fevers ★ Helps relieve arthritis ★ Soothes upset stomachs.
